

NU HORIZON GENETICS

MANAGEMENT CONSIDERATIONS

■ Irrigated ■ Dryland ■ Both

Designed specifically for irrigated acres in the Western High Plains of Nebraska and neighboring states.

Epoch is the perfect upgrade and replacement for Wesley in irrigated conditions.

Epoch

Standability That Matters

- **Delivers outstanding yield** performance under irrigation
- **Features a shorter, sturdier stalk** with excellent standability to resist lodging
- **Offers higher test weight** for premium quality and improved disease resistance
